Tropical Shades offer a wide range of products for interior and exterior improvements

127 MM VERTICAL BLINDS

Tropical shades Vertical Blinds are stylistic and will enhance the view from every room

In the house with a modern colour selection. The blinds can be fitted to open from the left, the

right, the centre or may be centrally stacked and are ideal for sloping windows.

A Tropical Shades consultant is able to guide you in the complete range of options available. Extensive range of fabric colours

Simple easy-to-use fingertip controls rotate the individual slats through 180 degrees giving absolute control over the light and the level of desired privacy

ALUMINIUM 25mm VENETIANS BLINDS

Tropical Shades Venetians provide light control and optimum versatility. With a simple twist you can control the light, view and temperature. The blinds can also be easily raised to lock into any position.

Tropical Shades Venetians offer the advantage of being maintenance free and water resistant, being manufactured from either high quality anodized or powder coated aluminium finishes. The result is a versatile Venetian blind which is equally suitable for use in both wet areas and living areas

ROLLER BLINDS

Tropical Shades. Roller Blinds can be operated using traditional spring operation or easy to use chain drive mechanism - or for the ultimate in modern living,

They can even be motorised and operated using remote control, switch or timer controls & they are practical and affordable window covering solution for both your home and office.

They are freely hanging and are in casket with slides and they are also used for skylights. In both cases there is rich range of patterns and colours we offer that can suit your windows

WOODEN & PLUSWOOD

Tropical Shades wooden & plus wood Venetians are a classical, refreshing and natural alternative to both modern, traditional architecture and it is a rustic window treatment designed to attract attention.

Venetians are the most functional and enduring blind in the Fashion line range. There are styles to suite all decorating situations and budgets

Wooden and plus wood Venetians provide light control and optimum versatility.

They offer the added advantage of being maintenance free and water resistant, equally suitable for use in both wet and living areas

BAMBOO & ROMAN BLINDS

Tropical Shades Bamboo blinds are a renewable resource and are actually a wise environmental choice. They can be used to grace the windows of upscale homes and offices with natural beauty

Make your home look like a display home! For a contemporary look that combines soft fabric panels with a functional operating system, Tropical Shades Roman Blinds (also known as Roman Shades) are the ideal window covering solution for your home.

bamboo blinds are also very beautiful, functional, and a versatile and give a natural look

CURTAINS (RODS & RAILS)

Tropical Shades A set of curtains is a window treatment that comes in 2 or more sections consisting of left and right curtains. It leaves a classical elegant out look to match with furnishing and designs

A curtain is also the movable screen or a drape in a theatre that separates the stage from auditorium or that serves a backdrop.

Curtains are often hung on the inside of a buildings windows to block the passage of light, for instance at night to aid sleeping or to stop light from escaping inside of a building

CARPETS, DOORMATS & RUBBER MATS

Tropical Shades Carpets were originally woven to the dimensions of the specific area they were covering. They were later made in smaller strips, around the time stair carpet became popular and woven at the site of the job by the carpet fitter.

Berber entrance mats are 100% needle punched polypropylene fibre entrance mats that combine durability with attractive appearance

Rubber tiles is the most durable industrial type of flooring one can get, its one of the most effective suitable for garages, verandahs gazebos and slippery areas

CAR-SHEDS, AWNINGS & DROP BLINDS

Tropical Shades Polycarbonate Awnings and canopies are perfect for patios or commercial spaces where protection from rain and sun is essential eg verandas, gazebos, entrance

Straight Drop blinds are perfect for enclosing pergolas, verandas, outdoor living areas and restaurants for privacy and sun protection. Drop blinds are designed to maximise the use of your outdoor areas all year around without necessarily creating a visual barrier

Car-sheds material range from 70% - 100% waterproof shade cloth can last for above 6 years before it is changed. The shade cloth is strong, durable and resistant to tearing and rotting. Its avoid your car being sun scotched and is designed to provide shelter for cars, boats and other large equipment that cannot be driven indoors
